Dear Lt. Montgomery:

I appreciated having your memorandum of December 1st concerning the sedan and driver made available to me during the NATO meetings in Brussels.

Although your memorandum only identified the driver as Mr. Willems and the car as S-5, I would like you to know how courteously and effectively Mr. Willems took care of my transportation requirements. Please extend my sincere appreciation to him and have this note placed in his personnel file.

Many thanks, too, for your thoughtfulness and your help.

Sincerely,

Patricia M. Derian
